Register your Falcon for our COVID-19 testing program today

Body copy:
Hello *Falcons,*

Our *Northwood High School* Testing Program begins after Labor Day. In order for your child to participate in testing, you'll need to register them for the program.

Click https://home.color.com/covid/sign-up/start?partner=ldh-nor-45-students
to register your child for the program.

A parent or guardian must register any minor under 18 years old. You'll give a one-time consent and HIPAA authorization to share their results with the school and district. Testing is not required, but highly encouraged to keep our school community safe.

We'll test in our school during the school day. Results will be delivered to you by text or email within 24 hours and we will follow-up with you directly if your child has a positive result.

If you have any questions or concerns, please reach out to LSUHS at 318.675.7588 or visit the LSUHS website at https://www.lsuhs.edu/covid19/testing/k-12-schools-covid-19-testing-program.

Thank you for your participation to keep our Northwood community safe and healthy.
